

# GPS Association Rugby Concussion Education

## The Education will include:

- An overview of the Rugby Australia concussion policy and guidelines including the Blue Card initiative – an initiative that removes players displaying signs of concussion from play and triggers off-field processes;
- Game day concussion identification and management;
- RA & GPS Protocols and RA Concussion Referral forms

This education session is a must see for Rugby parents, players, coaches and support staff from all competition levels in the GPS Association.

Tuesday 13 June  
6.30 - 7.30pm  
hosted at Gregory Terrace  
online registration at  
[www.gpsqld.org.au](http://www.gpsqld.org.au)

Presented by  
**Dr Warren McDonald**  
Rugby Australia  
Chief Medical Officer
