TSS	The Southport School
GT	Gregory Terrace
BSHS	Brisbane State High School
IGS	Ipswich Grammar School
ACGS	Anglican Church Grammar School

BBC	Brisbane Boys' College
BGS	Brisbane Grammar School
NC	Nudgee College
TGS	Toowoomba Grammar School

COMPETITORS' STARTING INSTRUCTIONS

- (1) Consistent with the amended provisions of The Swimming Rules, the Starter will not necessarily brief competitors on his requirements before the Start.
- (2) It is important that all competitors remain mindful regarding the Rules governing "delaying the start" and/or "wilfully disobeying an order".
- (3) The False Start Rules will be applied in this way:
 - (a) A swimmer who dives into the pool before **ASSUMING AND HOLDING his starting position prior to the signal to start is liable to disqualification on the recommendation of the Starter and with the concurrence of the Referee.**
 - (b) A swimmer who is told to 'stand up' and who then wilfully dives into the pool after the order is given would contravene the "wilfully disobeying an order" rule and consequently **is liable to disqualification on the recommendation of the Starter and the concurrence of the Referee.**
 - (c) A swimmer who overbalances and falls into the pool after being told to 'stand up' is not, however, in contravention of the "wilfully disobeying an order" ruling.
- (4) When requested by the Check Starter, the competitors will move in a group onto the Pool-deck each to a position immediately behind his/her Lane Starting Block.
- (5) After the competitors have placed themselves behind their respective blocks, the announcer will make the appropriate introductions.
- (6) The Referee will give a long, drawn out crescendo blast on the whistle to signal competitors to take up a position on their blocks, or, in the case of a Backstroke event, to come to their starting positions in the water.
- (7) The Starter will give the precautionary command "Take your marks". Competitors will immediately take up their starting positions at the front of the starting block, or, in the case of a Backstroke event, their starting positions in the water, and REMAIN STATIONARY.
- (8) When all competitors are stationary the Starter will give the starting signal.
- (9) Competitors must finish in the lane in which they start. They will remain in the water in their lanes at the finish of the event until a signal is received from the Referee to leave the water.

In this meet, starts will be in accordance with the F.I.N.A. International Rules.

- **THE ONE START RULE SHALL APPLY THROUGHOUT THE WHOLE OF THE MEET.**
- **Feet first entry to the pool will apply to all backstroke events.**
- **Any relay team shall be disqualified from a race if a team member, other than the swimmer designated to swim that length, enters the water when the race is being conducted, before all swimmers of all teams have finished the race.**

BARRACKING: Shortly before the commencement of each event a whistle will be blown to serve as a request to all supporters to refrain from making any noise until the competitors have entered the water.

Henry McNeill
GPS Media Results Officer

Henry McNeill performed the role of GPS Media Results Officer from 1992 -2008, as the Association's scribe for the receipt, editing and transmission of the GPS sports results to The Sunday Mail.

Henry diligently and carefully recorded results each Saturday afternoon after a regular flurry of phone calls and faxes from schools from the number of GPS activities held each term, and collated them to submit to the newspaper to meet their print deadline each week. He rarely missed a day during his 17 years service. His family recall that Saturday afternoons were "off limits" to family occasions unless they were able to wait until the results were in.

We would like to acknowledge Henry's contribution and his efficiency, as his efforts allowed for the achievements of teams and individuals to gain the recognition they deserve in the wider community.

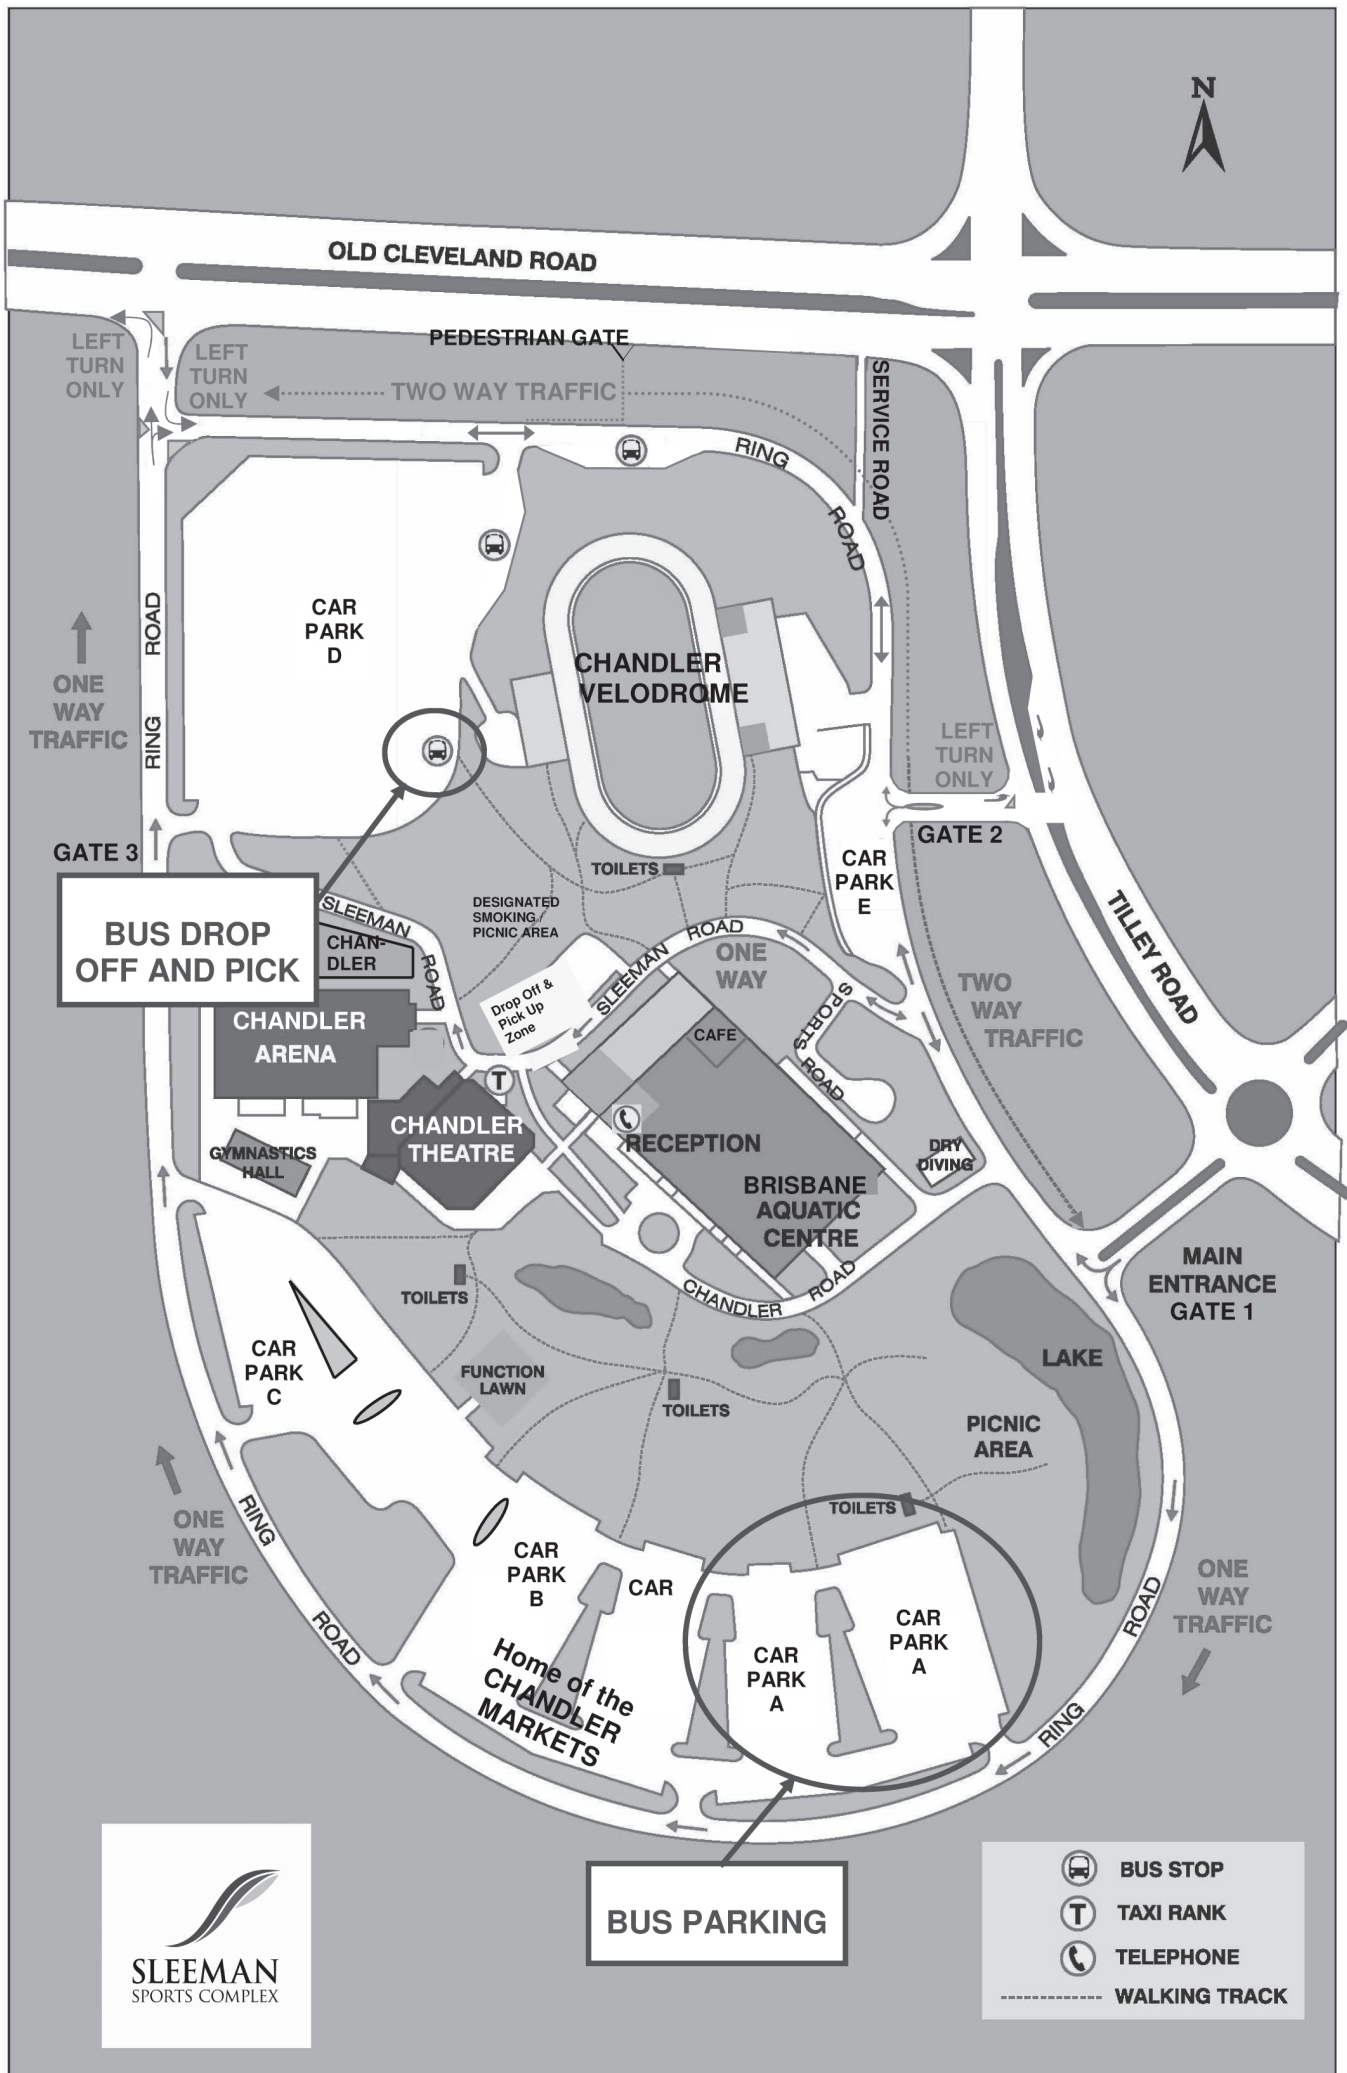

Henry was enormously proud of his work and very much enjoyed his association and friendship with Directors of Sport and Sports Masters over the years.

Henry announced his retirement at the end of last year after an ongoing illness, and sadly passed away in January this year. Henry was farewelled at a funeral service held at St Peter Chanel Church at The Gap that paid tribute to a life lived to the full. He is survived by his wife Margaret and his 11 children and many grand-children.

We would like to take this opportunity to again recognise Henry's enormous contribution to GPS sport.

He will be missed, but well remembered.
